Paper submission

Authors are invited to submit full-length (4 to 6 pages maximum, A4 size), original, unpublished papers in IEEE proceedings format, along with an abstract of at most 250 words and a maximum of five keywords. To enable blind review, the author list should be omitted from the main document. Previously published papers or papers currently under review for other conferences/journals should NOT be submitted and will not be considered. We will follow the plagiarism policy of IEEE. The manuscript as a single PDF has to be submitted online through EasyChair. All accepted and presented papers will be submitted for possible publication in IEEE Xplore. For detailed submission guidelines, refer to <http://iqcchess23.iiitkottayam.ac.in/>

IEEE International Conference on Quantum Technologies, Communications, Computing, Hardware and Embedded Systems Security

iQ-CCHESs'23

January 13 –14, 2023

CALL FOR PAPERS

Conference Theme: "Advancements in Digital Technologies"

URL: <http://iqcchess23.iiitkottayam.ac.in/>

International Conference on Quantum Technologies, Communications, Computing, Hardware and Embedded Systems Security (iQ-CCHESs'23) aims to facilitate enlightening and impactful discussions among experts on different perspectives of Quantum Technologies, Intelligent Systems, Smart Computing Systems and Security. This conference aims at bringing together researchers in academia, industry and practitioners in the world working on interdisciplinary platform for discussion and exchange various ideas to find out the solution of new emerging and challenging problems.
